REDYPLAST® The TRUST must Go ON

TECHNICAL DATA SHEET

Product Specification

Parameter	Specification
Product Name	**Poly TakeUp VIRGIN 16 MM**
Model	RDP1532
SKU	RDP-DP-YL-TU-16
Size	16 MM
Colour	Yellow
Material	VIRGIN
Minimum order	10 piece
Boxed	10 pieces to a box
Weight	350 GRAM
Origin	Made in India

About this product

The drip irrigation fitting is designed to connect, terminate or manage compatible 16 MM drip irrigation components. Correct dimensional compatibility should be checked before installation.

Key features

- Designed for compatible 16 MM drip systems
- Simple mechanical fitting
- Suitable for irrigation maintenance and installation
- Available as product-specific connector/end component

Applications

- Drip laterals
- Field irrigation layouts
- Drip system installation
- Routine maintenance and replacement

Benefits

- Convenient connection or termination
- Easy to install and replace
- Suitable for routine drip-system maintenance
